EDUCATION

- Computer Science and Engineering **CGPA: 8.53 | 2024**
Prof. Ram Meghe Institute of Technology and Research, Badnera – Amravati
- HSC (XII) **Percentage: 65.85% | 2020**
Smt.Ushabai Deshmukh Junior College, Achalpur, Dist. Amravati
- SSC (X) **Percentage: 86.40% | 2018**
City High School, Achalpur, Dist. Amravati

ACHIEVEMENTS

- CodeChef: Maximum Rating: 1385 (1 star)
- HackerRank: 5 Stars (C++)
- HacherRank: 3 Stars (Java)

PROJECTS

- **Simple Code Editor**
Developed a simple code editor to provide a user-friendly interface for coding. Implemented syntax highlighting with Prism JS, enhancing the readability and organization of code within the editor. Utilized textarea HTML element to allow users to write, edit and format their code easily. Technologies used: HTML, CSS, JavaScript, React JS, Prism JS.
- **Fitness Hub Website**
Developed a fitness hub website to facilitate registration for individuals interested in joining the fitness community – HTML and CSS.
- **Amazon Clone**
Designed and developed a true-to-life Amazon clone website from scratch. It involves responsive design and attention to detail in replicating a well-known e-commerce platform – HTML and CSS.

SKILLS

- **Programming:** C, C++, Java.
- **Web Development:** HTML, CSS, JavaScript.
- **Tools:** Git, Visual Studio Code, Microsoft Word, Excel, PowerPoint.

EXTRACURRICULAR ACTIVITIES

- **Event Coordinator (Coding-Decoding)**
 - For the initial round of the event, I curated a challenging set of multiple-choice questions (MCQs) centered around the C programming language.
 - To create an immersive experience, I decorated the event venue and crafted an environment that encouraged innovation and collaboration.

HOBBIES

- DSA Problem Solving.
